➤ Notes/Updates/Comments

- 1.) The *Professional Lake Erie Walleye TOP-GUN Series* has expanded to a four event configuration. The unique style of this venue is you weigh your two (2) best weights of the four available. You don't have to fish all four, fish 2-3 or 4, you decide. Two events will be Canadian events and two events will be American events. All four events are highlighted in **BOLD RED** in above schedule. For more information, please contact the Top Gun series organizers: USA – Mr. Jim Tunney 716.609.2990 / CANADA – Mr. Chris Yalowica 905.733.8300
